AMENDMENT

The Examiner is thanked for his assistance during our telephone conversation of November 29, 2005. During the conversation, the Examiner agreed that the Maynes reference was not listed on form PTO-892 which was attached to the Office Action. In view of this, the applicant has been unable to formulate a response to the rejection of claims 1 - 7.

During the conversation with the Examiner, the Examiner acknowledged the error and advised that the time period for responding to the Office Action would be re-set provided the applicant filed a letter requesting same. Accordingly, the applicant requests that the time period for responding to the Office Action be re-set.

In addition, the applicant looks forward to receiving the details of the Maynes reference so that the applicant may respond to the Office Action.

Respectfully submitted,
